

Welcome to Spotlight

Spotlight is a customized staffing platform that lets you instantly find, evaluate, and interview pre-vetted talent—so you can build teams at the speed your business demands.

Candidate Hub

Ready, Set, Staff

When a project gets approved, momentum matters. But for tech leaders, that urgency collides with slow, costly, unpredictable hiring cycles. Your Spotlight candidate hub changes that.

Move Fast, with Less Risk

Spotlight is built for fast decisions and immediate momentum. With pre-vetted talent, ready to hire, you can go from review to interview in hours, not weeks.

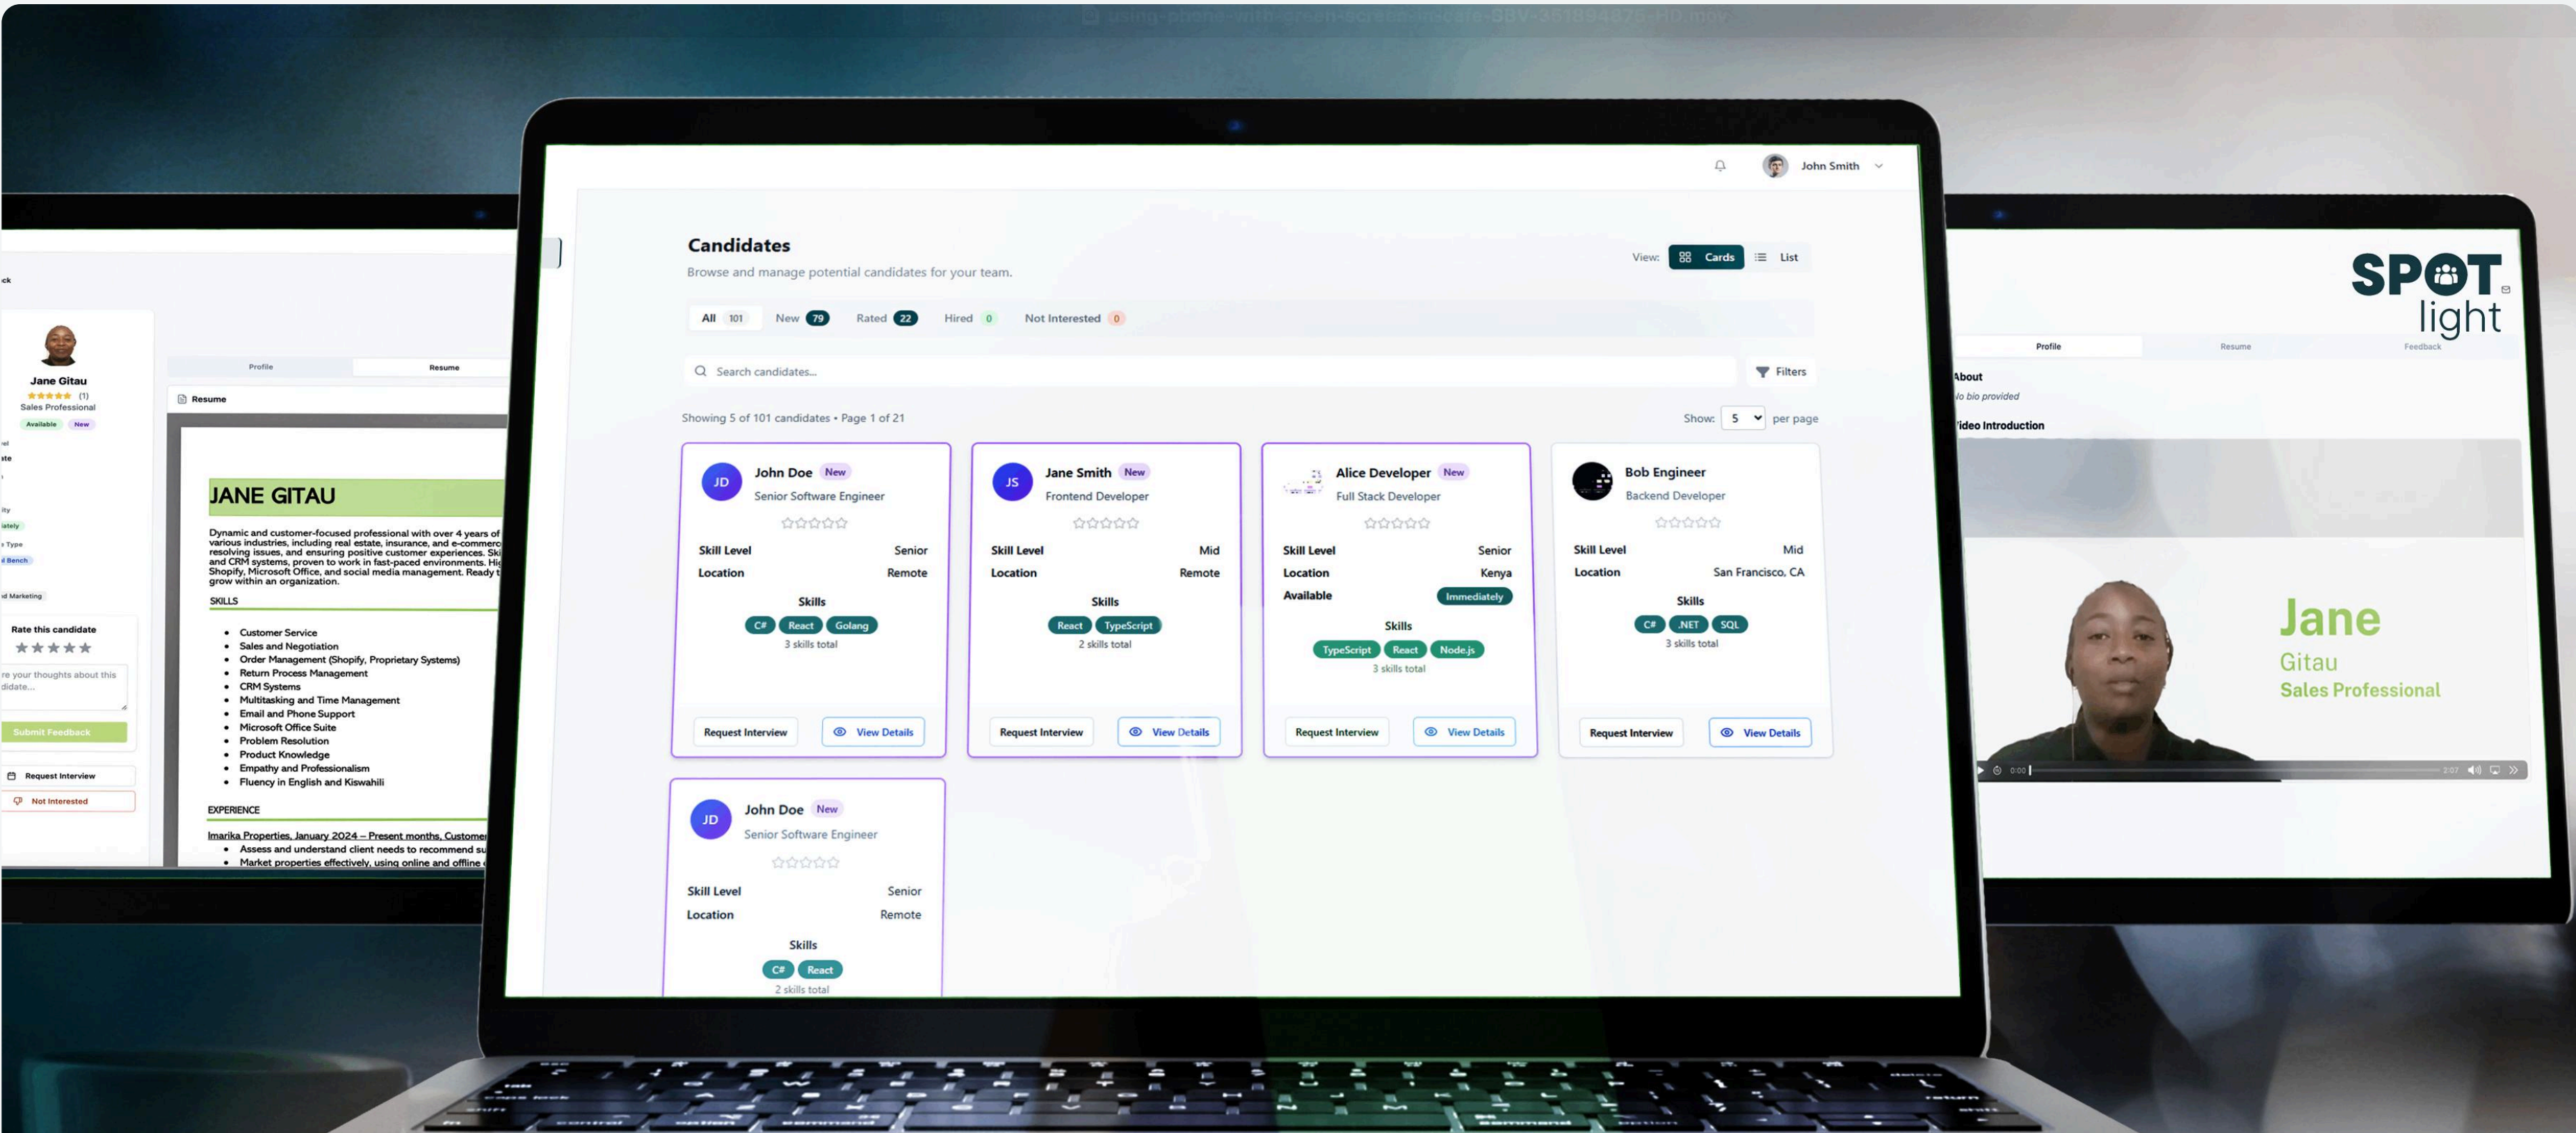

Zero Inbox Chaos

Spotlight puts an end to hundreds of DM's and resumes, from job listings, with a short list of qualified candidates, vetted resumes, skill ratings and screening scores.

Confidence in Every Candidate

Spotlight combines resumes, recorded videos, and technical ratings. So you'll know who can execute upfront and can schedule interviews right away

Candidate Profiles Contain

Skills Summary, Resume, Introductory Video, Ratings and Notes, Availability (you can bullet point these Max)

- Picture & Video**
See how candidates communicate before you schedule an interview
- Resume**
Easily scan resume, skill summary and certifications
- Rate Candidates**
Higher scores mean fewer interviews and better conversations
- Schedule Interview**
Direct access to talent. You control how fast you move

Spotlight cut our hiring time from weeks to hours. We staffed an entire project faster than we'd ever imagined

The quality of talent was shocking - in the best way. Every candidate felt like someone we'd already worked with.

Spotlight let us start a major initiative immediately. No delays, no friction just instant momentum.

Get started!
